Volunteering & Committees

2014— today Auditing Committee
Student sailing association Aqua

The auditing committee investigates the financial administration of the association and advises the board on their financial policy.

2014 – 2016 Chair, Sailing Committee
Student sailing association Aqua

The Sailing Committee organises 8 weekends and a sailing week. As chairman, I coordinated the efforts of the different committee members and represented the committee on official occasions.

I am still active in this committee as executive secretary.

2012 — today Webmaster
Different organisations

As webmaster or member of the website committee, I have built several websites and maintained them.

2014 – 2015 Treasurer, Excursion Committee
Study association Pyrus

The Excursion Committee organised an educational trip to Scotland in the summer of 2015. As treasurer, I was responsible for the subsidies and financial administration. Together with other committee members, I also organised some of the program parts.

2014 – 2015 Commissioner Official Affairs,
Dutch student swimming competition
Student swimming team Aquifer

With this committee we organised a swimming match for 375 students from all over the Netherlands. As commissioner Official Affairs, I was responsible for the contacting the Royal Dutch Swimming Federation, match officials, administration and results.

2013 — today Event volunteer
Different organisations

As volunteer I am happy to lend a hand. All kinds of jobs come along, from traffic management to wiring the event.
